Both drums equipped with spring-loaded brakes

Manual emergency stop switch with touch sensitive switch at the seat

2 resilient vulcollan scraper blades per drum

Spring-mounted driver's compartment

4 working headlights

Driver's seat with arm rests and safety belt

Lockable dashboard

Optional equipment

Lighting according to Road Traffic Regulations (StVZO)

Laterally slidable seat

Back up alarm

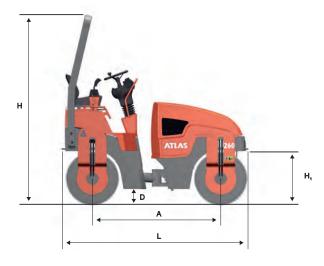

Rotating beacon

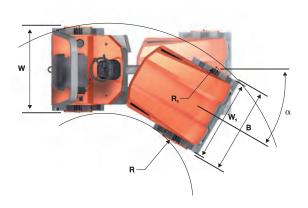

Edge cutting and pad roller

Special color

Environmentally friendly hydraulic fluid
